

CELL PHONE LOT

Are you waiting to pick up passengers at the Airport?

Park free of charge in our cell phone lot while waiting to pick up your guests. Follow the directions on the reverse side of this card. Have your party call your cell phone to let you know they are ready to be picked up at the terminal. There is a one-hour parking limit in this lot. Parking in front of the terminal is not allowed.

Need to know when they will arrive?

Keep track of your guest's flight with our Track a Flight feature on our website. Track a Flight allows you to see arrival times, delays or cancellations. Be sure to get the following information from your guest before they arrive:

- Airline
- Flight number
- Date

You can also check out our Air Traffic Map and view flights that are in the air to see their scheduled arrival time. Find links to Track a Flight and Air Traffic Map under Flight Information at www.flywichita.com
