

Take advantage of our new emergency alert mobile messaging system.

What is it?

Emergency/critical information text messaging service provided by Veoci under license to the Wichita Airport Authority.

What does it do?

Provides emergency or critical information text messages to the mobile device of registered participants.

What information?

Information that you may expect to receive would include, for example: severe weather (tornado warnings), emergencies, traffic related issues, law enforcement issues affecting public safety, and other similar critical situations.

How do I register?

Signing up for Veoci mobile alerts through the link below is easy. It's voluntary and free! You can easily unsubscribe anytime you wish, and you will not receive "junk" or promotional messages.

This courtesy service is provided for the select benefit of our airport and tenant employees, and regular contractors and service providers. We do respectfully request that you not forward or share this information with persons outside of your agency or based customers. The service provided, and information communicated, is strictly dedicated to critical information on airport property and immediately adjacent areas.

Veoci does not charge subscribers to send or receive SMS messages. Standard or other messaging charges may apply depending on your wireless carrier plan and subscription.

This mobile message service is provided as a free service to registered subscribers. Messaging is intended only as a general advisory notice. The Wichita Airport Authority is not liable for failure to disseminate or the accuracy and timeliness of messages.
